

## Speaker Bio Sheet

How did this researcher get started in his/her career? What sparked their interest in food?

Briefly describe the research this speaker is doing now (in 2-3 sentences).

List and define 3 new words or concepts you came across while reading the speaker's bio:

1.

2.

3.

What direction does this speaker want to see happen in the future related to food?

What are some of the social, ethical, or political implications of this speaker's research?

Write down 3 questions you would like to ask the speaker, if you could, after reading his/her bio:

1.

2.

3.
